THE LAND OF RED SOIL-BIRBHUM

Birbhum is known not only for its red soil and the shallow serpentine rivers ridden with sand islands, but also for the notable poets.

To witness the East and west cultures meet, Birbhum can boast of some of the most sacred religious pilgrims like Tarapith, Bolpur (Place of Nobel laureate poet Rabindranath Tagore), Mama Bhagne Pahar Patharchapuri and Bakrewar. Students can make a trip to these sacred places on weekends and get blessed for a bright career. This also keeps our students moral and ethical individuals of strong character. Birbhum is very well connected through all the major cities of west Bengal like Kolkata, Durgapur, 'Asansol, etc. through a very good road and rail network. It only takes about three hours from the national highway to reach Birbhum from Kolkata. Undoubtedly, BCPT is the most preferred choice of students and recruiters.

SHANTINIKETAN

The abode of learning

THE DREAM CITY-DUBRAJPUR

Dubrajpur is a sub-District town of Birbhum. The quite serenity of the place makes it a perfect place for pursuing educational endeavours. As an Pharmacist our students consolidate their learning in the peaceful vicinity of Dubrajpur and unwind in tranquility for mind rejuvenation. BCPT is located near Dubrajpur Railway Station and NH-16 Highway. The major places where students can refresh their mind by doing some activities are Nil Nirjan Dam, Mama Bhagne Pahar, ancient Hetampur Rajbari etc.

**Akash Garai****B. Pharm, Batch of 2023-2027**

Bengal College of Pharmaceutical Technology has been a transformative journey for me. The rigorous academic curriculum, coupled with practical experience gained through internships and clinical rotations, has prepared me to tackle the challenges of the pharmacy profession with confidence. Beyond academics, the college fosters a culture of collaboration and teamwork, instilling in students the importance of communication and empathy in patient care. I'm grateful for the invaluable education and personal growth I've experienced here.

**Hasina Khatun****B. Pharm, Batch of 2023-2027**

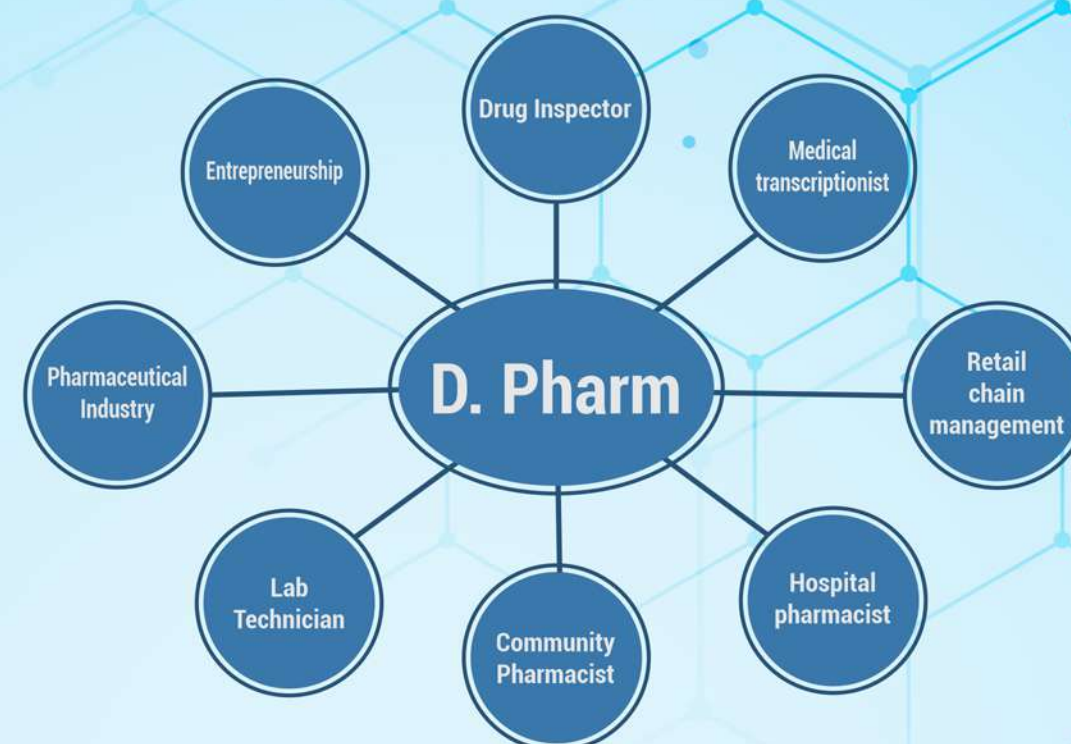

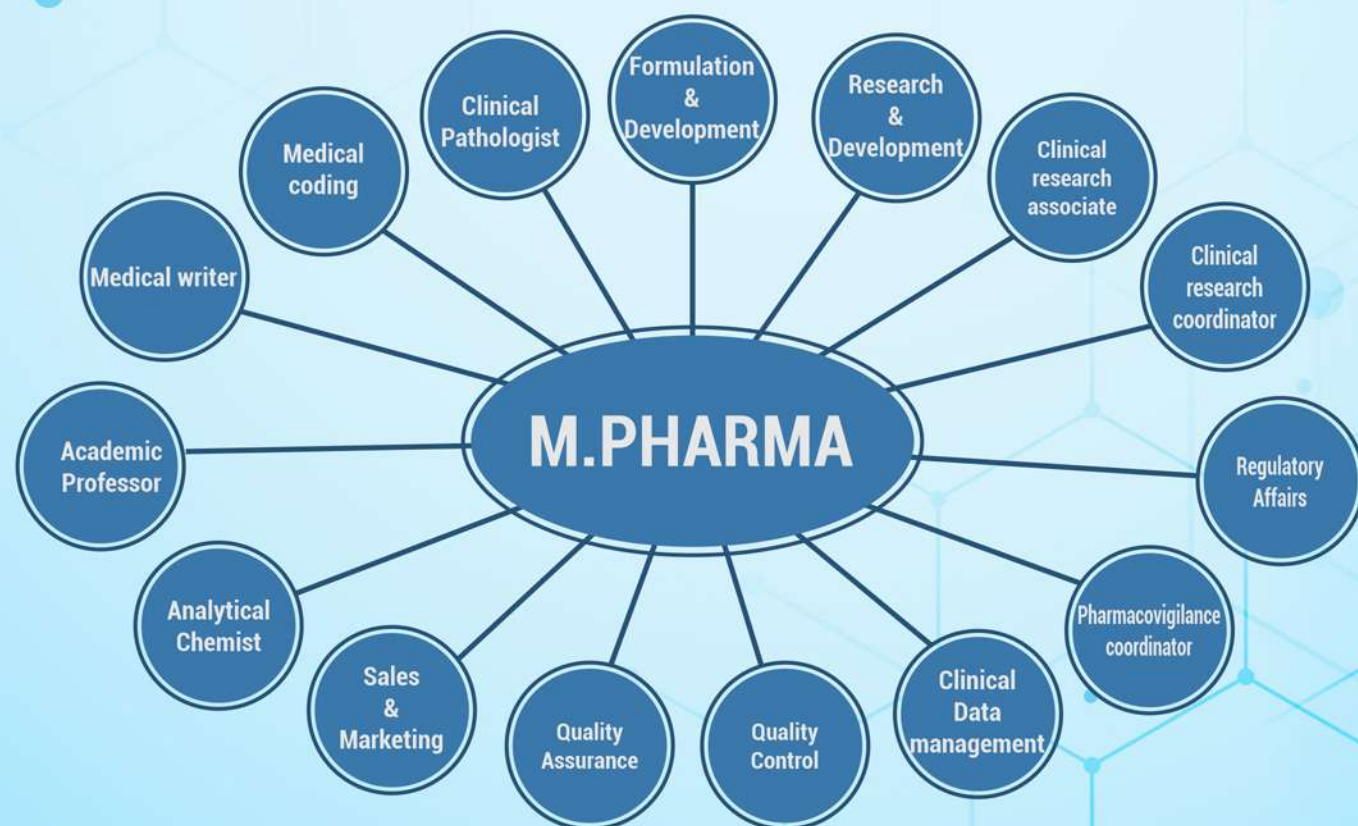

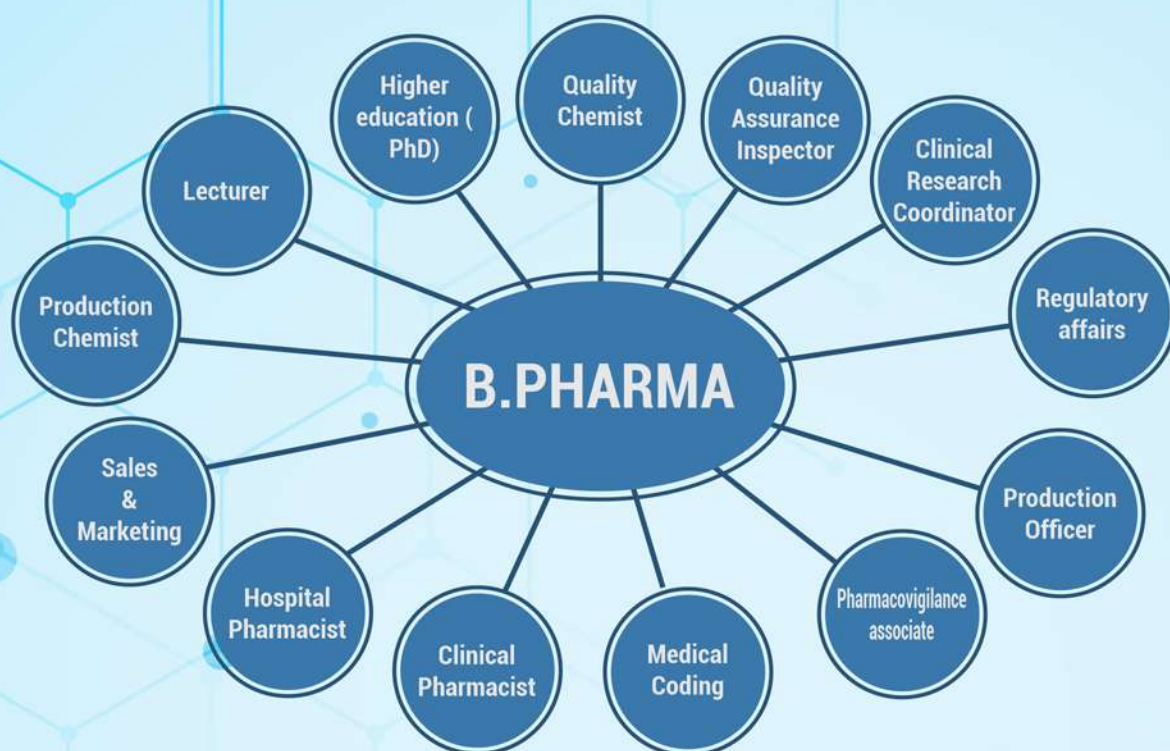

Bengal College of Pharmaceutical Technology stands out for its commitment to innovation and excellence. The faculty members are not only leaders in their respective fields but also dedicated mentors who encourage critical thinking and creativity. The college's modern facilities and cutting-edge technology provide students with unparalleled opportunities for hands-on learning and research. I'm proud to be a part of a forward-thinking institution that equips its students with the skills and knowledge to thrive in the dynamic field of pharmacy.
