# OVERVIEW

**Pharmacy** is commonly considered as a shop where medicines are being sold or prepared. In the academic or professional world, Pharmacy is defined as the branch of science that deals with the preparation, doses, dispensing and effects of medicines. In the broad sense, Pharmacy is a marriage between Health Sciences and Chemistry. You could also term it as a Love Triangle that involves Medicine, Biology and Chemistry. Yes, it is as overlapping and inter-related as Bio-Medical Sciences. Besides, pharmacists also play an important role in advising and counseling patients, and prescribing medicines. However, pharmacists are not medical doctors - they do not conduct diagnosis and/or surgeries on patients. Globally Pharmacy is considered as noble as the Medical profession. Bengal College of Pharmaceutical Technology College, Dubrajpur established in the year 2019, having an impressive campus is dedicated to develop and nurture pharmaceutical education. The campus gives an aesthetic and pleasant look where it will be our endeavor to produce the best pharmacist in learner focused environment. The institute has well stocked library, modern laboratories, offering latest technology equipment and classrooms for materializing the dream to contribute more in the area of Pharmaceutical Sciences.

Nelson Mandela

At the outset, I wish to extend my warm welcome to you in BCPT family. It would indeed give us immense pleasure that you have selected BCPT platform and given opportunity to us to assist in shaping your professional career. Today, the college symbolizes the meaning of quality education and professional achievement. However, there is ample room for further development since acquiring knowledge is endless process. Pharmaceutical education today is no longer confined to the four walls of the classroom. All round efforts are needed to generate quality professionals. To achieve this we try to provide quality, value based, and activity oriented education to our students.

Our mission is persistently engage ourselves to generate and preserve knowledge, understanding, and creativity by conducting high-quality educational and research activities that benefit students, scholars, and communities across the nation. To share that knowledge and creativity, we will provide a broad range of academic activities for learners and teachers that will help them to work independently in their professional sphere. As educational institution, we value excellence, innovation, diversity of community, diversity of ideas, integrity, academic freedom, collaboration, and accountability of resources and relationships, sharing knowledge in a learning environment, and application of knowledge and discovery to advance the quality of life.

This institution is associated with a very strong, dedicated and capable team of educators who will serve the driving force in the growth of this institution. So, this institution will not only educate and enable students with knowledge of profession but also inoculate discipline, determination, and dedication.

The college is equipped with well-furnished laboratories, classrooms and library that feeds the brain of students with maximum professional stuff, digitalized computer lab, and wi-fi facilities throughout the Campus. It is only with the whole hearted support, cooperation and confidence of the Management and staff in us that we will be able to fulfill our mission of providing new dimensions to education.

At BCPT, you will learn new concepts, widen your horizons, apply your mind, explore your talent and take up social responsibility to improve the healthcare system and ultimately become ethical professional and responsible citizen.

In conclusion, I also welcome all who shall be joining us as students and wish you all a wonderful intensive knowledge flow on the campus. If, I can be of any assistance, please do not hesitate to contact me and know that my door is always open. I can be reached at [principalbcpt@gmail.com](mailto:principalbcpt@gmail.com). ## ADVANTAGE BIRBHUM

Often called "The land of red soil, Birbhum is noted for its topography districts of West Bengal. Suri is th edistrict headquarters of Birbhum. Dubrajpur is a sub District town of Birbhum. The quite serenity of the place makes it a perfect place for pursuing educational endeavours. As an Pharmacist our students consolidate their learning in the peaceful vicinity of Dabrajpur and unwind in tranquility for mind rejuvenation. The bauls of Birbhum. their philosophy and their songs form a notable representation of the folk culture of the district. Being close to Shantiniketan, Shri Rabindra Nath Tagore's abode of peace and learning our students are exposed to some of the larger than life cultural festivals of Bolpur like the notable Poush Mela.

To witness the East and west cultres meet. Birbhum can boast of some of the most sacred religious pilgrims like Tarapith, Bolpur, Mama Bhagne. Patharchapuri and Bakrewar. Students can make a trip to these sacred places on weekends and get blessed for a bright career. This also keeps our students moral and ethical individuals of strong character. Birbhum is very well connected through all the major cities of west Bengal like kolkata, Durgapur, 'Asansol, etc. through a very good road and rail network. It only takes about three hours from the national highway to reach Birbhum from kolkata Undoubtedly, BCPT is the most preferred choice of students and recruiters
